III International scientific and practical conference of young scientists and students

“PROBLEMS AND PROSPECTS OF BUSINESS DEVELOPMENT IN UKRAINE”

February 22, 2024
Lviv

Dear colleagues!

Organizational Committee of the III International
Scientific and Practical Conference of Young
Scientists and Students

***"Problems and prospects of business
development in Ukraine",***

which will be held on February 22, 2024, invites
students, graduate students, young scientists of higher
education institutions and scientific institutions to
take part in its work.

The purpose of the conference: formation of
knowledge, skills, outlook on issues of economy and
business management in the conditions of martial law
and post-war reconstruction of the country's economy
among students of higher education

Thematic directions of the conference:

1. Development of domestic business in conditions
martial law.
2. Financial and economic aspects of business
management in war conditions.
3. Accounting and analytical, informational and
legal support of business management.
4. Innovative principles of the development of
entrepreneurship in the conditions of post-war
reconstruction of the economy.
5. Marketing research as a factor of increase in the
competitiveness of business entities.
6. Problems of the development of economic entities
in the industrial, agricultural, trade, hotel and
restaurant, tourist business in the conditions of war
and post-war reconstruction.
7. Modern directions and principles of logistics
development to ensure the sustainability of business
processes.

Languages of the conference:

Ukrainian, Polish, English.

**A collection of abstracts in PDF format and
certificates will be sent to participants by e-mail**

Terms of participation in the conference

To participate in the conference and include a report
in the conference program, it is necessary to send to
the organizational committee:

- 1) the text of the abstracts,
- 2) application for participation in the conference
(according to the sample)

no later than February 15, 2024

e-mail: ekon@lute.lviv.ua

Participation of foreign partners is free!

**Requirements for drawing up abstracts of the
report:**

The volume of theses - 1-3 pages of A4 format, text
editor - Microsoft Word, book orientation, all margins -
20 mm; font – Times New Roman, point – 12, line
spacing – 1.0, paragraph - 1 cm.

Formula editor - MS Equation. Drawings must be
grouped.

The first line is the surname and initials of the author or
authors (bold font, right-aligned).

The second (for students) - surname, initials, academic
degree, academic title of the supervisor (bold italic font,
right-aligned).

The third is the name of the institution of higher
education (italics, right-aligned).

Across the line is the title of the report (in capital letters,
bold font, centered).

Across the line is the text of the abstracts of the report,
alignment is width-wise.

At the end, across the line - a list of used sources
(according to National Standards of Ukraine
8302:2015).

Authors and supervisors are responsible for the
content and design of abstracts.

The materials must be carefully checked
according to the rules of spelling and orthography,
drawings - grouped. Scanned figures and tables
are not allowed. References to used sources are
mandatory. References in the text are made out in
square brackets, i.e. [2, p. 56], where the first
number means the serial number in the list of used
sources, the second - the page number.
